POLICY

1. School profile

Parkhill Primary School is situated in Ashwood on grounds offering plenty of space for students to enjoy. There are three main classroom buildings, with one administration block. The school has a (currently renovating) hall with a stage, as well as a science kitchen functioning as both a science lab and kitchen with two ovens. There is a substantial garden with many vegetable beds, a chook pen and nearby orchard. At Parkhill we value the positive impact of our ample grounds and spaces, offering a diversity of play options.

At Parkhill Primary School, literacy and numeracy are our priority with a whole school learning and teaching approach providing students with explicit instruction and stimulating, challenging tasks. We focus funding into the key areas of reading, writing and wellbeing and continue to develop our

Program of Inquiry. A range of programs are offered to further nurture student learning and cater for individual talents and interests. These include: Visual and Performing Arts, LOTE (Mandarin), Physical Education, and our Program of Inquiry which encompasses Science and Sustainability Programs, as well as our Kitchen Garden program. We also have Instrumental Music Tuition, Swimming, Athletics and Camping Programs, ICAS, games club and more.

Our staff care for our students, and know them as individuals.

Our vision is to **nurture success** in all students through their learning by developing a sense of who they are, where they fit in and how they can make a difference. We achieve this by providing a safe and stimulating learning environment, rich in our values of **care, unity, respect, honesty and persistence**. Students are encouraged and supported to become inquirers, knowledgeable, thinkers, balanced, principled, open-minded, caring, risk takers, reflective and communicators. We recognise that all children grow at their own rate and in their own way. In the partnership between home and school, the common aim is to help each child grow into a well-rounded individual.

2. School values, philosophy and vision
